

Proud to be a no-kill shelter, Blue Chip has a large population of cats residing on our farm. Despite challenges, our workers and volunteers go to great lengths to provide the utmost care, love, and attention to each and every one.

We understand that many people are not in the position to adopt a cat, but would still like to help us in our efforts to host a safe haven for these little tigers! If you'd like to show your support for Blue Chip and the work we do, become a Kitty Condos sponsor today!

Your donation helps us care for, feed, love, and place a cat for adoption with a forever home. This new program is similar to our Adopt-A-Kennel initiative. Launched in January 2016, it became a huge success for our canine friends.

**With Kitty Condos, you choose the level of sponsorship that works best for you:**

**SILVER**  
\$25 per year

**GOLD**  
\$75 per year

**PLATINUM**  
\$150 per year

Whether you are a single homeowner, have your own small family, belong to a church group or work for a local business or organization, you can be a Kitty Condos sponsor. Local organizations graciously jumped at the opportunity to help us with Adopt-A-Kennel sponsorships; in turn, we experienced tremendous growth. We're hopeful that Kitty Condo sponsorships will enable us to make a difference for our feline family.

Please consider becoming a Kitty Condos sponsor! Kindly return the enclosed form today or visit us online at <http://www.bcanimalrefuge.org/kitty-condos>.

## SPONSORSHIP FORM

By becoming a Kitty Condo sponsor, you are helping to nurture, feed, love and place a cat for adoption in a forever home.
